

MATERIALS FOR THE ARTS: LEARNS ONLINE
FABRIC + PAPER JEWELRY BY PAMELA ISAAC

1.	CUT THE FABRIC INTO STRIPS, ABOUT TWO INCHES LONG AND 1 – 2 INCHES WIDE. (YOU CAN ALSO USE PAPER INSTEAD OF FABRIC, FOR VARIATION)	
2.	PUT GLUE ON BACK SIDE OF FABRIC. YOU'RE PUTTING GLUE ON THE SIDE THAT WILL NOT BE SEEN.	
3.	TAKE PIECE OF STRAW OR PENCIL AND PLACE AT THE TOP OF ONE SIDE OF THE FABRIC. BEGIN ROLLING THE STRAW OVER THE REST OF THE FABRIC FLAP.	
4.	YOU CAN CUT THE STRAW, OR WAIT UNTIL IT DRIES TO SLIDE OFF YOUR PENCIL.	
5.	YOU CAN CHOOSE TO ADD YARN IN THE MIDDLE OF BEADS BY PUTTING SOME GLUE IN THE MIDDLE OF THE BEAD AND WRAPPING A SMALL PIECE OF YARN IN THE MIDDLE. YOU CAN DECORATE YOUR BEAD WITH THREAD, GLITTER, SMALL PIECES OF PAPER, MORE FABRIC, BY WRAPPING OR GLUING.	
6.	THINK ABOUT HOW YOUR FABRIC BEADS WILL COME TOGETHER. THINGS LIKE SIZE, SHAPE, TEXTURE, AND COLOR WILL AFFECT THE OVERALL LOOK OF YOUR PIECE.	
7.	LAST, PUT YOUR FABRIC BEADS ON A CHORD OR PUT THEM ON A STICK TO MAKE A WAND. HAPPY BEADING!
